PDES - Professional Development for all Elementary and Secondary (Middle & High) School Students

The Board of Education has voted to change the number of professional development days (early release/late arrival days) at all school levels for the 2019-2020 school year. The purpose of these early release/late arrival days for students is to provide professional development/training and collaborative planning time for teachers. This year the all schools will have 5 PDES days, the same days for all Elementary, Middle & High School Students: The Elementary students will have 5 early release days and all Secondary (middle and high school) students will have 5 late arrival days. (see below for dates and times for the designated MONDAYS).

The school calendar for the 2019-2020 school year with these teacher training days is on the reverse side. This calendar is also posted on the Middletown Public Schools website – www.middletownschools.org
